

Mrs Hough from the ASHS Music Department is walking in the Susan G. Kommen Race for the Cure Maryland on Sunday, Oct. 23. She is reaching out to see if you would like to register to walk with her and her daughter, or participate in the 5K timed run.

You can go to either of the links below – one to walk with her, and there is one where you can register your own team. Either way, please consider giving your time or donation to this worthy cause.
